Admission Agreement

I have disclosed any and all known medical and/or other conditions, including but not limited to temperament or behavioral traits, that may affect or limit my dog's ability to board, participate in group play or training classes, or otherwise visit at Wag Inn Boarding.

Any dogs with a history of Dog-Dog aggression will not be permitted to interact with other dogs at the facility.

Dogs who are not currently protected by an oral or topical Flea/Tick preventative (or Seresto Collar), or who are found to have an active flea or tick infestation, will be treated by Wag Inn Boarding for an additional fee.

If the owner has not provided a sufficient supply of the dog's current diet to last the duration of their stay, Wag Inn Boarding will feed with our dog food at an additional charge of \$5 per day. Wag Inn Boarding/All About Dogs will not be responsible for any effects caused by the diet change.

Wag Inn Boarding/All About Dogs will not be responsible for loss or damage to left personal items. We will notify owners if we discover any items that have been left behind after their dog's departure. Items will be discarded 7 days after notification, unless alternate arrangements have been agreed upon.

If Wag Inn Boarding/All About Dogs has been directed by the owner to administer any medications or supplements, it is the owner's responsibility to provide a clearly labeled and sufficient quantity of each item, as well as clear instructions for administration. In the event an insufficient quantity has been supplied, Wag Inn Boarding/All About Dogs will notify the owner as soon as the error is discovered. The owner will be responsible for arranging delivery of an additional supply. Wag Inn Boarding/All About Dogs will not be responsible for any issues that result from lack of medicating due to lack of supply.

Wag Inn Boarding/All About Dogs reserves all rights to photos and/or videos taken of dogs during their stay and may use such photos and/or videos for promotional or other purposes.

Owner acknowledges that there are inherent and potential risks involved with housing dogs, as well as with interactions between dogs. Owner accepts and assumes responsibility for all risks, including, without limitation, all costs, damages, and the full cost of repair or replacement of property damages incurred as a result of their dog's visit to Wag Inn Boarding.

Any dog left at Wag Inn Boarding beyond their scheduled visit, without adequate notification and the consent of Wag Inn Boarding, will be considered abandoned on the 7th day after their scheduled check-out date. On that day, Wag Inn Boarding will become the legal owner and guardian of the dog and will determine future placement. The dog may be offered for adoption or relinquished to a shelter of Wag Inn Boarding/All About Dog's choice.

In the event that the dog appears ill or injured, or exhibits any behavior that would reasonably suggest the need for medical evaluation or treatment, Wag Inn Boarding will immediately make all reasonable attempts to contact the owner. In the event the owner cannot be reached, Wag Inn Boarding/All About Dogs is authorized to pursue treatment as deemed necessary. Owner agrees to pay any veterinary fees incurred.

Owner will update Wag Inn Boarding/All About Dogs immediately if contact information changes during their dog's stay.

I have read, fully understand and agree to the terms of this Admission Agreement for any and all future stays.
